Welcome to our practice! We are pleased that you chose us to serve your dental needs.

### **Medical History**

Please include all medications and dosages that you are taking. This includes prescriptions, over the counter pills and natural health products.

### **Dental History**

If you have been having regular dental visits, you should contact your previous dentist to see if there are current x-rays that could be forwarded to our office. If you prefer, please call us and we can do this for you.

### **First Visit**

Plan to be here for about one hour. We will take a full set of x-rays and provide a comprehensive examination. The approximate cost for this appointment is \$275.00.

### **Payment Policy**

Please be advised that all accounts are due on day of service. We do offer payment by means of Debit, MasterCard, Visa and Cash.

### **Dental Insurance**

We are pleased to process and complete any necessary forms or estimates at your request; however, dental insurance is a contract between you and your insurance carrier. Therefore, it is your responsibility to know what your insurance covers. It is also your responsibility to inform our office of any changes to your insurance i.e. carrier, policy, identification numbers or plan maximums. This will insure that your claims are processed correctly.

### **Appointment Changes**

Our office policy requires that you notify us of a change in plans 48 hours (2 business days) before your reserved time. This permits another patient to receive dental care in your absence. Because we do not schedule several patients at the same time, all appointments are reserved exclusively for you. **There will be a charge for cancellations where 48 hours (2 business days) notice is not given.** Messages can be left on our answering machine after hours.
